POLICY

Complaints or grievances may be received from anyone who comes in contact with Pomonal Primary School OSHC Services including but not limited to parents/guardians, volunteers, students, members of the local community and other agencies. In most cases, dealing with complaints and grievances will be the responsibility of Pomonal Primary School OSHC. All complaints and grievances, when lodged, need to be initially assessed to determine whether they are a general or a notifiable complaint.

When a complaint or grievance has been assessed as 'notifiable', the Pomonal Primary School OSHC must notify the Department of Education and Training, Quality Assessment and Regulation Division (QARD) and the school of the complaint or grievance. Notifications to DET must be made through the National Quality Agenda IT System (NQA ITS) portal. The Pomonal Primary School OSHC will investigate the complaint or grievance and take any actions deemed necessary, in addition to responding to requests from and assisting with any investigation by QARD.

There may be occasions when the complainant reports the complaint or grievance directly to QARD. If this occurs, QARD is responsible to then notify Pomonal Primary School OSHC about a complaint they have received. After this, Pomonal Primary School OSHC is still responsible to investigate and deal with the complaint or grievance as outlined in this policy, in addition to cooperating with any investigation by QARD.

Definition

Complaint: (In relation to this policy) a complaint is defined as an issue of a minor nature that can be resolved promptly or within 24 hours, and does not require a detailed investigation. Complaints include an expression of displeasure, such as poor service, and any verbal or written complaint directly related to the service (including general and notifiable complaints). Complaints do not include staff, industrial or employment matters, occupational health and safety matters (unless related to the safety of the children) and issues related to the legal business entity, such as the incorporated association or co-operative.

Dispute resolution procedure: The method used to resolve complaints, disputes or matters of concern through an agreed resolution process.

General complaint: A general complaint may address any aspect of the service e.g. a lost clothing item, but the complaint must be dealt with as soon as is practicable to avoid escalation of the issue.

Grievance: A grievance is a formal statement of complaint that cannot be addressed immediately and involves matters of a more serious nature e.g. the service is in breach of a policy or the service did not meet the care expectations of a family.

Notifiable complaint: A complaint that alleges a breach of the National Law or National Regulations has occurred, the service’s policies and procedures have not been followed, or alleges that the safety, health or wellbeing of a child at the service may have been compromised. Any complaint of this nature must be reported by the School Council to QARD within 24 hours of the complaint being made (Section 174(2)(b) of the National Law, Regulation 176(2)(b) of the National Regulations). If the Approved Provider is unsure whether the matter is a notifiable complaint, it is good practice to contact QARD for confirmation. Written reports to QARD must include:

- Details of the event or incident
- The name of the person who initially made the complaint
- If appropriate, the name of the child concerned and the condition of the child, including a medical or incident report (where relevant)
- Contact details of a nominated member of the Grievances Subcommittee/investigator
- Any other relevant information

Written notification of complaints must be submitted using the NQA ITS portal forms, which can be found on the Australian Children’s Education and Care Quality Authority (ACECQA) website:

<https://www.acecqa.gov.au/resources/national-quality-agenda-it-system>.

Serious incident: An incident resulting in the death of a child, or an injury, trauma or illness for which a reasonable person would consider required urgent medical attention from registered medical practitioner or emergency services or for which the child attended or ought reasonably to have attended a hospital. E.g. whooping cough, broken limb, anaphylaxis reaction. This also includes an incident in which a child appears to be missing, cannot be accounted for, is removed from the service in contravention of the regulations or is mistakenly locked in/out of the service premises (Regulation 12). A serious incident should be documented in an Incidents, Injury, Trauma and Illness Record (sample form available on the ACECQA website) as soon as possible and within 24 hours of the incident. QARD must be notified within 24 hours of a serious incident occurring at the service (Regulation 176(2)(a)). Records are required to be retained for the periods specified in Regulation 183.
